10. For any other special services rates and terms are available on request.

11. A reference to a booking includes a booking by the vessel owner, or agent. A Bunker Adjustment Factor (BAF) applies to applicable to all towage services. The BAF is based on the monthly average per barrel price of Gasoil in Singapore (P MOPS Gasoil 0.5% Strp USD/bbl, Platts index AAPJY00) published by S&P Platts, and the monthly average rate of exchange between USD and AUD as published by the Reserve Bank of Australia. The BAF to apply will be decided by the average bunker price and rate of exchange during the month which is two months previous. For example, to generate the applicable BAF for the month of April the average Gasoil price and USD>AUD rate for February will be used on the matrix. Notwithstanding this, the BAF may be additionally adjusted for, with or without notice, in response to changes to the Australian fuel tax credit scheme, extraordinary fluctuations in the oil prices and/or rates of exchange.

U.K. STANDARD CONDITIONS FOR TOWAGE AND OTHER SERVICES (REVISED 1986)

(b) The Hirer shall (except as provided in Clauses 4(c) and (e)) be responsible for, pay for and indemnify the Tugowner against and in respect of any loss or damage and any claims of whatsoever nature or howsoever arising or caused, whether covered by the provisions of Clause 4(a) hereof or not, suffered by or made against the Tugowner and which shall include, without prejudice to the generality of the foregoing, any loss of or damage to the tug or tender or any property of the Tugowner even if the same arises from or is caused by the negligence of the Tugowner his servants or agents.

(c) The provisions of Clauses 4(a) and 4(b) hereof shall not be applicable in respect of any claims which arise in any of the following circumstances:-

For the purpose of this Clause the Tugowner's personal responsibility for exercising reasonable care shall be construed as relating only to the person or persons having the ultimate control and chief management of the Tugowner's business and to any servant (excluding the officers and crew of any tug or tender) to whom the Tugowner has specifically delegated the particular duty of exercising reasonable care and shall not include any other servant of the Tugowner or any agent or independent contractor employed by the Tugowner.

Provided always that, notwithstanding the foregoing, the provisions of Clauses 4(a) and 4(b) shall be fully applicable in respect of all claims which arise at any time when the tug or tender is at the request, whether expressed or implied, of the Hirer, his servants or his agents, carrying persons or property of whatsoever description (in addition to the Officers and crew and usual equipment of the tug or tender) and which are wholly or partly caused by, or arise out of the presence on board of such persons or property or which arise at anytime when the tug or tender is proceeding to or from the Hirer's vessel in hazardous conditions or circumstances.

(d) Notwithstanding anything hereinbefore contained, the Tugowner shall under no circumstances whatsoever be responsible for or be liable for any loss or damage caused by or contributed to or arising out of any delay or detention of the Hirer's vessel or of the cargo on board or being loaded on board or intended to be loaded on board the Hirers' vessel or of any other object or property or of any person, or any consequence thereof, whether or not the same shall be caused or arise whilst towing or whilst at the request, either express or implied, of the Hirer rendering any service of whatsoever nature other than towing or at any other time whether before during or after the making of this agreement.

(e) Notwithstanding anything contained in Clauses 4(a) and (b) hereof the liability of the Tugowner or death or personal injury resulting from negligence is not excluded or restricted thereby.

5. The Tugowner shall at any time be entitled to substitute one or more tugs or tenders for any other tug or tender or tugs or tenders. The Tugowner shall at any

time (whether before or after the making of this agreement between him and the Hirer) be entitled to contract with any other Tugowner (hereinafter referred to as "the other Tugowner") to hire the other Tugowner's tug or tender and in any such event it is hereby agreed that the Tugowner is acting (or is deemed to have acted) as the agent for the Hirer, notwithstanding that the Tugowner may in addition, if authorised whether expressly or impliedly by or on behalf of the other Tugowner, act as agent for the other Tugowner at any time and for any purpose including the making of any agreement with the Hirer. In any event should the Tugowner as agent for the Hirer contract with the other Tugowner for any purpose as aforesaid it is hereby agreed that such contract is and shall at all times be subject to the provisions of these conditions so that the other Tugowner is bound by the same and may as a principal sue the Hirer thereon and shall have the full benefit of these conditions in every respect expressed or implied herein.

6. Nothing contained in these conditions shall limit, prejudice or preclude in any way any legal rights which the Tugowner may have against the Hirer including, but not limited to, any rights which the Tugowner or his servants or agents may have to claim salvage remuneration or special compensation for any extraordinary services rendered to vessels or anything aboard vessels by any tug or tender. Furthermore, nothing contained in these conditions shall limit, prejudice, or preclude in any way any right which the Tugowner may have to limit his liability.

7. The Tugowner will not in any event be responsible or liable for the consequences of war, riots, civil commotions, acts of terrorism or sabotage, strikes, lockouts, disputes, stoppages or labour disturbances (whether he be a party thereto or not) or anything done in contemplation or furtherance thereof or delays of any description, howsoever

caused or arising, including by the negligence of the Tugowner or his servants or agents.

8. The Hirer of the tug or tender engaged subject to these conditions undertakes not to take or cause to be taken any proceedings against any servant or agent of the Tugowner or other Tugowner, whether or not the tug or tender substituted or hired or the contract or any part thereof has been sublet to the owner of the tug or tender, in respect of any negligence or breach of duty or other wrongful act on the part of such servant or agent which, but for this present provision, it would be competent for the Hirer so to do and the owners of such tug or tender shall hold this undertaking for the benefit of their servants and agents.

9.

(a) The agreement between the Tugowner and the Hirer is and shall be governed by English Law and the Tugowner and the Hirer hereby accept, subject to the proviso contained in sub-clause (b) hereof, the exclusive jurisdiction of the English Courts (save where the registered office of the Tugowner is situated in Scotland when the agreement is and shall be governed by Scottish Law and the Tugowner and the Hirer hereby shall accept the exclusive jurisdiction of the Scottish Courts).
