

To,
The Shipping Agents / Customers,
Adani Krishnapatnam Port Ltd.

Subject: Addendum to the Force Majeure Notice dated 08-12-2023

Dear All Customers,

It is known to one and all that force majeure notice dated 08-12-2023, effective from 03-12-2023 was issued on the reason of Cyclone "MICHAUNG" effected on Adani Krishnapatnam port.

Subsequent to the suppression of cyclone we initiated the process of mitigating the loss sustained due to the cyclone. We have put in our best efforts to resume operations partially. We have noticed additional siltation occurred in the channel due to flow of excessive water stagnated in the catchment areas.

In view of the foregoing conditions, we hereby notify you that all vessel movements both inward and outward are suspended from midnight of 18-12-2023 till further notice of normalcy.

At this juncture the AKPL authorities took the immediate measures to mitigate the impact of the above event and shall strive to restore the port operations at the earliest to make free from all hindrances arising out of Force Majeure event.

We always have a regard for your business activities and commitment to AKPL. We will keep you apprised of any updates regarding the impact on our business, as well as how we can productively move forward after the current crisis has come to an end.

Above is for your information and further circulation please.

For Adani Krishnapatnam Port Ltd.

Capt. N.P. Padhi
