

# GAC Nigeria Bonded Warehouse Services

**Secure, convenient and cost-saving storage solutions to facilitate your logistics operations.**

At our bonded warehouse near Lagos Port, we manage every aspect of your incoming and onward shipments, facilitating faster response to customer requirements and optimising supply chains.

**Delivering your strategy.**

## At GAC Nigeria, we are committed to providing reliable, secure and cost-effective bonded warehouse services.

GAC Nigeria's bonded warehouse at Olayinka near Lagos Port offers flexibility, security and cost efficiency. The result? Leaner, streamlined, more effective supply chains that are key to the energy, liquid bulk and other sectors we serve.

After receiving goods from suppliers, our expert check and store them appropriately. Our proprietary software, GACfreight, connects with customers' own ERP, giving them real-time visibility of inbound and outbound shipments, KPI reporting and much more.

### Secure

Secure storage protects goods from theft, damage and environmental factors throughout the period that GAC Nigeria holds your cargo until it is released for onward transport. We also manage and oversee inspections by customs officials to help ensure compliance with import regulations.

When moving goods to their final destination, GAC Nigeria coordinates every aspect of the logistics, ensuring efficient, cost effectively transportation on time, on budget, every time.

### Reduced costs

Duty payments on goods stored in our customs bonded warehouse can be deferred to avoid double taxation, enabling businesses to reduce costs and improve their cash flow.

By storing goods locally, inventory is managed more effectively enabling rapid response to market demands and project requirements.

Multiple smaller shipments from different suppliers can be consolidated into a single shipment. And larger, consolidated shipments can be broken down and shipped out as required.

### Benefits at a glance

- Security
- Flexibility
- Cost efficiency
- Efficient inventory management
- Liaison with customs authorities

# Quality and compliance – every step of the way

## **Professionalism and safety**

In line with the GAC Group's business philosophy, we are committed to providing professional services which comply with the most stringent Health, Safety, Security and Environmental (HSSE) practices.

## **Compliance and ethics**

Strict ethical business practices - including the GAC Group's Code of Ethics and Anti-Corruption & Bribery, Whistleblowing, Sanctions and Quality policies - are applied to everything we do.

# Specialist services to keep your business moving
