# Strategically located to support your shipping needs

## Comprehensive coverage

GAC offers specialized shipping services including ship agency, husbandry, supply services, crew transfers, bunker fuels coordination and medical assistance at all the Uruguayan ports and terminals.

## Experienced team

From our main office in Montevideo, our team of experienced shipping professionals coordinate activities to provide complete agency coverage across all the country's terminals and ports.

## Seamless operation

To ensure smooth operation and efficient administration, trust our specialists to take care of all administrative and financial matters to streamline the job. Excellent relations with local agencies and industry

contacts ensure prompt turnaround of vessels, and favorable rates and priority access, even during peak periods. We keep you informed of your vessel or cargo status throughout every port call. You will also receive a customized commodity report for every job done.

## Safety and compliance

GAC Uruguay applies the best practices through a group-wide HSSE policy coupled with quality management systems and vetting processes on related services to ensure the safety driven by our policies.

## Advanced IT systems

Our business-driven IT applications give you the latest port news, voyage information and operations updates.
