

GAC Australia Shipping & Logistics Services

**Delivering integrated services with you
in mind**

As your strategic partner, GAC Australia offers agency services across all major Australian ports and terminals, as well as specialised logistics services to meet your needs.

Delivering your strategy.

GAC Australia has the experience, skills, assets and tools to handle your requirements at sea and in port, nationwide

Established in 2007, GAC Australia offers professional and flexible solutions to meet your shipping and logistics needs throughout the country. Our main office in Sydney oversees our operations throughout Australia. We have shipping professionals at all Australian ports to support your operations, both on and offshore.

Diverse portfolio

Our services are tailored to the specific needs of every principal calling at the country's ports. We have the expertise to handle dry bulk, wet bulk, break-bulk, project cargo, livestock, vessel husbandry and cruise ships. All our operations are carried out in full compliance with local regulations.

Experienced team

We know fast turnaround in port is critical, especially for time-sensitive and expensive cargoes. Our strong relationships with

the local maritime industry and relevant authorities enable our operations team to make all the necessary arrangements for a smooth and efficient port call, as well as facilitate the smooth transition of control from one port to the next.

Sophisticated IT setup

We harness the latest technology to ensure our customers receive prompt responses and timely services. Our custom-built port operations and shipping software GACagent ensures the changing needs of your vessels in port can be accommodated. We also keep owners, operators and charterers fully informed through constant and reliable status reports prior to, during and after a port call. To facilitate efficient shipping operations planning, our free daily intelligence service, Hot Port News, is a trusted source of the latest news on port conditions worldwide.

Diverse sectors, one promise

Shipping, logistics and marine services

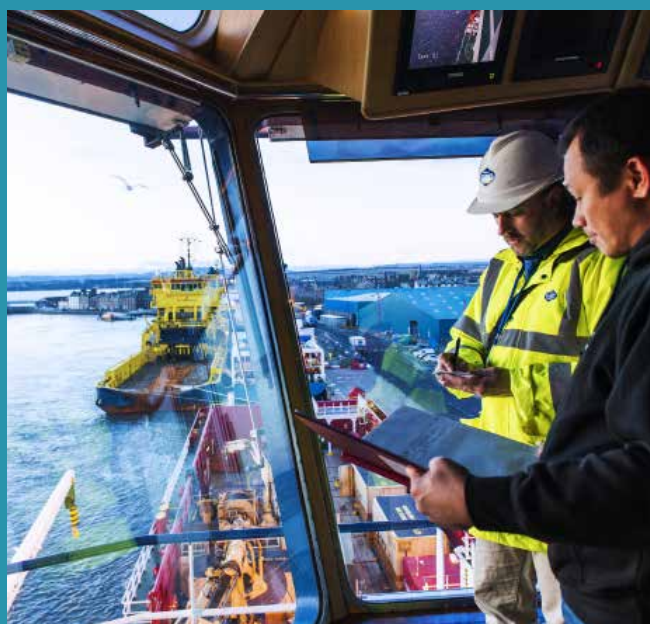

Whatever your cargo and wherever your port of call, we have what it takes to help you save time and cost at all major ports

Dry and wet bulk

We provide unparalleled expertise and experience in delivering professional ship agency services for a wide range of dry bulk products. From coal and iron ore to grain, you can enjoy peace of mind as our experienced team ensures smooth and speedy vessel turnaround.

Husbandry

GAC Australia's network of strategically located offices helps you optimise time and cost efficiencies whilst attending to your ship husbandry needs. Our services include the delivery of spare parts and mail, despatch, crew changes and medical services.

Delivering strategies to keep you on track for growth

Project cargo

We have the skills and strength to manage and oversee the delivery of your project cargo shipments around the Australian coast. All operations are planned and executed with a strong focus on minimising risks and costs and optimising resources.

Bespoke logistics services

In addition to our experienced local expertise and strong market knowledge, our 24/7 operations are supported by GAC Group's global network linked by proven operating systems and processes.

From freight forwarding to warehousing & distribution, our logistics solutions can be

customised to help you save time and cost. Our 800sqm warehouse at Canning Vale, Perth consolidates arriving goods and packs them into pallets before they are being distributed to domestic and international locations.

360° oil & gas support

GAC Australia meets your upstream needs with dedicated oil & gas logistics all the way from exploration through to oilfield development. Our 360° support for the oil & gas sector draws upon our core competencies in supply chain, offshore and agency services complemented by a portfolio of integrated shipping, logistics and marine solutions.

Professionalism and safety

We know our clients demand total peace of mind. That is why we spare no efforts to ensure our operations adhere strictly with the Group's compliance and ethics procedures – underpinned by the GAC Code of Ethics and Quality, Health, Safety, Security & Environment (HSSE) policies. We are committed to providing quality services without compromising the wellbeing of our clients, employees and business partners alike. Our offices are ISO 9001 certified.
