# Delivering peace of mind for your every port call

### GAC India - Your cruise partner of choice

With more than three decades of operations and 27 offices throughout India, covering all major and minor ports, GAC India has what it takes to meet the needs of the cruise majors when their vessels call at India ports.

### Complete cruise package

Our extensive expertise allows us to offer complete services ranging from port & immigration clearances, husbandry services, crew welfare and provisions supply to liaison with local tour operators and domestic transport.

Our services include designing itineraries for both domestic and international cruising. We provide advice and guidance to itinerary planners to plot optimum locations and routes for local sightseeing, hotel accommodation,

home-port or turnaround potential. We can also work with you to explore new cruise destinations in India.

### Time and cost efficiency

Our established working relationships with the relevant authorities and contacts in the local cruise industry help smoothen the way for efficient immigration clearance for passengers and crew.

In a few cases, this has helped to ensure that immigration officers are on board vessels from previous port, ahead of arrival, facilitating advance immigration clearance and enabling passengers to disembark and enjoy their shore side experience without delay.

Our experience has equipped us with in-depth understanding of the unique complexities of cruise operations to offer customised services and support that translate to seamless port calls.
