

# GAC Marine Services Ltd

**Your partner for offshore services in Sri Lanka**

With offices in Colombo, Galle, Hambantota and Trincomalee, and support from the GAC Group, GAC Sri Lanka has been delivering cost-effective offshore solutions tailored to your needs since 1994.

Operating a fleet of 12 marine crafts, the largest in Sri Lanka, comprising tugs, supply launches and crew boats, GAC is able to provide speedy solutions around the clock.

**Delivering your strategy.**

## We put the muscle of our global resources and local expertise at your disposal.

### By your side, offshore

You need a partner with the expertise and experience you can trust to provide professional offshore support. GAC Marine Services has the resources and capability to offer that support.

### Crew change / crew support services

- Handling of the embarkation/dise embarkation of crew and supernumerary crew including superintendents, technicians, surveyors etc.
- Arrangement of VISA on arrival and business VISA
- 24/7 "Meet & Greet" services at Bandaranayke International Airport (BIA, Colombo) & seaports
- Ticketing and transport arrangements
- Arrangement of hotel accommodation in Colombo and Katunayake (close to the airport), as well as Galle

### Emergency medical evacuation of injured /sick crew members

- Marine ambulance service
- Doctor visits
- Helicopter evacuation
- Speed boat evacuation up to a distance of 20nm from Galle/Colombo ports
- Hospitalisation for specialist treatments
- Close coordination with local P&I correspondents
- Regular visitations of the patient at the hospital and provision of timely updates on medical condition
- Arrangement of necessary medical reports and "Fit to Fly" certificate
- Departure flights arrangement

### Ship spares management

- Ship spares clearance and delivery of up to 30MT
- Supply of ship spares locally
- Storage facility at Customs S/R and Port Authority warehouse
- Clearance & delivery of hand carried spares and tools

### Fast turnaround

Efficient ISO-certified procedures and close working relationships with local authorities, suppliers and the local shipping industry enable us to provide fast turnaround of vessels in any situation, 24/7.

## Specialised services to meet your needs without compromising quality & safety

### Other services

- Towing assistance
- Ship to ship transfers (transshipments)
- Delivery and supply of lubes in bulk using IBC tanks
- Supply of provisions, stores & fresh water at OPL
- Supply of navigation/communication/marine safety/nautical charts and other publications
- Removal of garbage & sludge

- Delivery of cash to Master
- Supply boat management
- Manning of tug/launch boats
- Boat chartering - Chartering of GAC launches for special operations

### Professionalism and safety

We are committed to providing cost-efficient and professional services in full compliance with Health, Safety, Security and Environment (HSSE) practices.

# We spare no efforts in meeting your requirements

## Owners/operators/charterers of the vessel can enjoy the following benefits for services provided at OPL:

- No anchorage/port dues
- No deviation from the main shipping lane
- No customs/immigration personnel boarding the vessel
- No port call is registered, i.e. vessel can proceed with its course without delay once the services have been completed
- No requirement for vessel to anchor as services can be provided when vessel is slowing down her speed

## The GAC Marine Services advantage

- Round the clock services at OPL
- Special and competitive rates based on volume commitments
- Experienced team of professionals with a dedicated person in charge to handle each operation
- 24/7 communication room to attend to your enquiries and requests promptly

Complete solutions backed by shipping, logistics and offshore support capabilities.
