

GAC Energy - Sri Lanka

360° support for your energy business

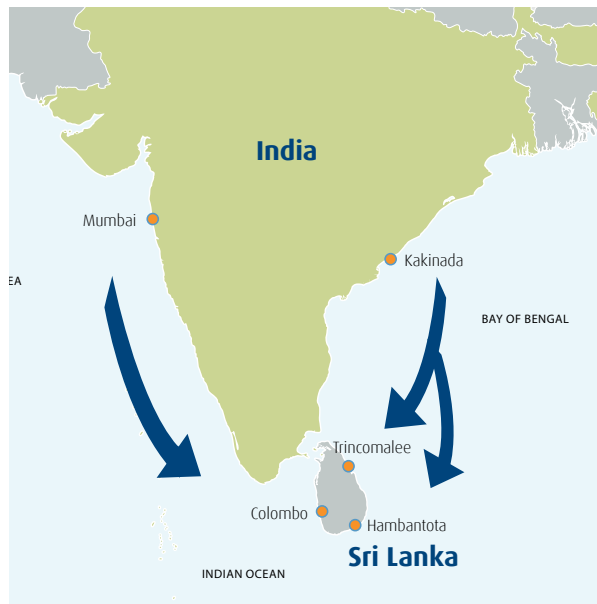

Established since 1991, GAC Sri Lanka is part of the GAC Group, a global integrated shipping, logistics and marine services provider with more than 300 offices worldwide.

With offices in Colombo, Galle, Hambantota and Trincomalee, and support from the GAC Group, GAC Sri Lanka provides total support with value-driven, customised solutions to meet your energy needs. You can also benefit from our strong relationships with authorities and service providers at all locations.

Delivering your strategy.

End-to-end solutions for your energy needs

At oil & gas hotspots throughout Sri Lanka, GAC's solutions help you achieve a bigger slice of success.

Specialised portfolio

Our portfolio of integrated services can meet all your operational needs, including specialist support for sectors such as oil & gas contractors (for fields both offshore and inland), seismic surveyors, cable laying contractors, construction professionals, dredgers, rig owners as well as operators of supply boats, tugs and barges. We are fully geared to handle all kinds of rig operations at the country's ports.

Complete package

With a dedicated team assigned to each

account, your requirements are assessed from the very start, with initial advice and documentation to facilitate imports and re-export of specialised marine equipment such as rigs, platforms and support vessels, as well as drilling tools, machinery, ship spares and more.

Highest standards

We apply the highest standards to everything we do. All operations are conducted in full compliance with stringent quality and Health, Safety, Security and Environment (HSSE) criteria. GAC Sri Lanka is ISO certified, and is the first ship agent in the country to obtain TRACE certification. We ensure that all processes are carried out to the strictest quality.

Our 360° support for the energy sector draws upon our core competencies in supply chain, offshore and agency services complemented by a portfolio of integrated shipping, logistics and marine solutions.
