

GAC Cyprus Oil & Gas Services

**Complete shipping, logistics and offshore
marine solutions**

**Whether you're an operator, a surveyor, a driller or an
EPC company, we make it our business to understand
your core needs to deliver non-stop integrated services.**

Delivering your strategy.

As East Mediterranean exploration and offshore construction gather momentum, we have the strength, experience and resources to meet all your shipping and logistics needs.

Since 1970, GAC Cyprus has been providing expert advice and a range of shipping and logistics services from our offices in Nicosia, Limassol and Larnaca, offering complete coverage across all the island's ports and terminals.

Our global network and local connections offer our principals a single point of contact for all their onshore and offshore needs.

We understand the demands of the oil & gas industry and that's why GAC Cyprus is the preferred service provider for projects throughout the wider East Mediterranean region.

Continuous improvement

With nearly 50 years of experience in ship agency, GAC Cyprus continuously strives to further enhance our cost- and time-efficient services available to any type of vessel, rig or platform.

Unrivalled project logistics capability

GAC Cyprus is experienced in developing

complex project logistics solutions, expertly coordinating cargo movements by air, sea or road. We have the skills and resources to manage any size of project, from single shipments to full turnkey operations. Smooth, timely clearance of shipments is assured thanks to our in-house customs clearance expertise.

People and principles

Our dedicated team of professionals is committed to providing around-the-clock services to ensure our principals meet their demanding schedules and service requirements.

Quality assured

Clients benefit from our cost-saving shipping and logistics solutions that meet GAC's high values and ethical standards. Our ISO 9001:2015, Authorised Economic Operator (AEO) certifications and IATA Cargo Agent certifications demonstrate our determination to deliver those standards.

Transparency & HSSE

Our Code of Ethics, TRACE certification, compliance and data protection policies reflect our commitment to implementing the highest ethical standards at all times. Our Health, Safety, Security & Environment (HSSE) policies substantiate our goal of zero accidents, no security breaches and no harm to the environment.
