

GAC Greece Cruise Services

Total support at all key Greek destinations

A reliable agent plays a vital role to ensure smooth clearance for your crew and passengers.

We have the resources, expertise and range of support services to ensure smooth sailing your cruise liner and everyone onboard.

Delivering your strategy.

Greece is one of the world's most popular cruise destinations. At GAC, we go beyond the basics to put your cruise business first.

Every year, hundreds of thousands of cruise passengers choose Greece. And with more than 6,000 islands and coastlines on the itineraries, options are endless.

As part of the global GAC Group, GAC Greece has the reach and resources to meet the needs of cruise majors and special interest operations wherever you go. Over a decade of experience in serving the sector has equipped us with in-depth understanding of the unique complexities of cruise operations to offer customised services and support for seamless port calls.

Complete package

We draw on our extensive shipping and logistics expertise to deliver the support and integrated passenger services that you need.

Local expertise

Our emphasis on local knowledge and contacts, planning and efficiency enables us to ensure maximum impact and minimum fuss. We provide guidance to itinerary

planners to plot optimum locations and routes for an unforgettable cruise.

Planning is crucial for trouble-free cruising. Partnering with reputable travel specialists deepens our understanding of passenger needs. Our focus is to provide optimal port handling calls whilst interacting closely with your cruise customers to provide a tailor-made solution suitable to your requirements.

Non-stop support

GAC Greece provides full cruise support solutions for crew and passengers with a wide range of specialised support services.

We make it our business to ensure that you can rest easy while we tirelessly deliver whatever you need for a smooth journey.

Transparency & HSSE

Our Code of Ethics, TRACE certification, compliance and data protection policies reflect our commitment to implementing the highest ethical standards at all times. Our Health, Safety, Security & Environment (HSSE) policies substantiate our goal of zero accidents, no security breaches and no harm to the environment.
