

GAC Greece Logistics Services

Supply chain solutions to meet any logistics and distribution requirements

For more than two decades, GAC has served the Greek market as a logistics service provider. We draw on the international resources and reach of the GAC Group to provide an integrated range of air and sea freight support to keep your business moving.

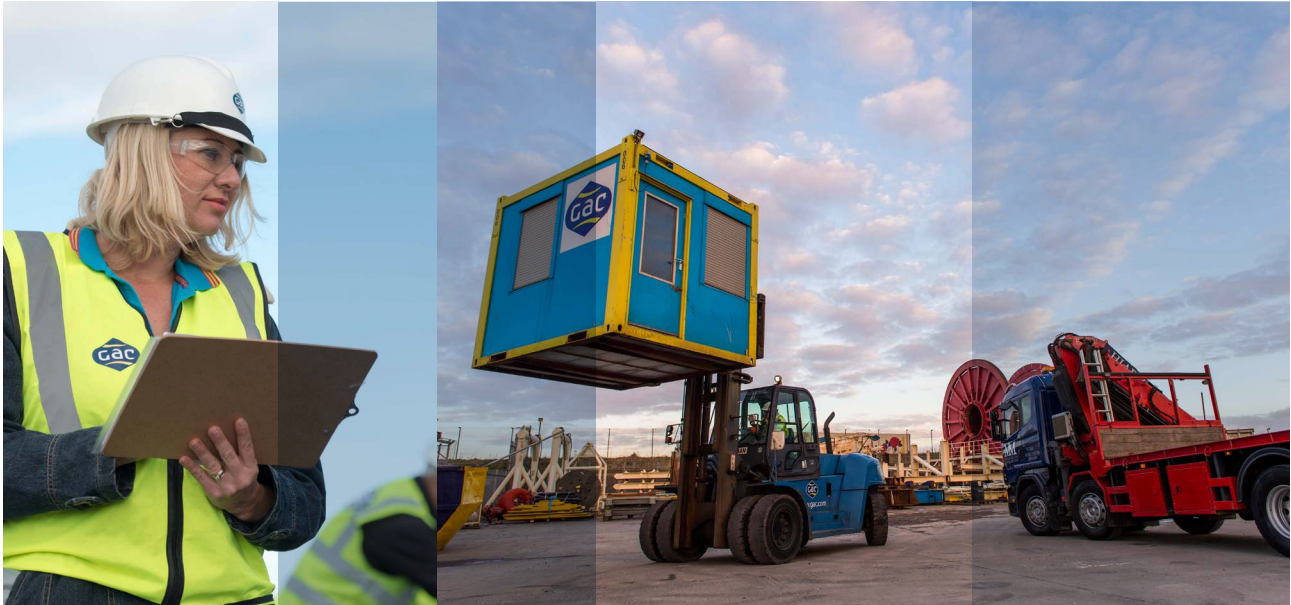

Nationwide provision of multimodal logistics services is coordinated through our strategically located offices in Piraeus, Thessaloniki and Athens International Airport.

Our customers come from a diverse range of sectors including international manufacturers, distributors and retailers in the consumer goods, textiles, pharmaceutical and oil & gas industries.

Delivering your strategy.

Keeping you on the fast track for growth

Compliance, ethics and safety

Everything we do is fully compliant with the GAC Group's business philosophy and policies which demand the highest standards of Health, Safety, Security & Environment (HSSE) and Compliance.

We are part of the C-TPAT network and comply fully with the US Customs and AMS regulation and the EU's ENS system.
