

# GAC UK Shipping and Logistics Services

Fully integrated support, nationwide

For a strategic partner that puts your business first,  
look no further than GAC UK for trusted, quality support  
around-the-clock.

Delivering your strategy.

Whether you're an energy company, a cruise operator, a freight forwarder or organising a sailing event, GAC UK puts its global muscle and local expertise at your disposal.

We deliver a wide range of tailor-made shipping and logistics services to the oil & gas, renewables and shipping industries. We also serve specialised sectors such as marine leisure, automotive and aviation industries.

The highest standards of customer service, operational excellence and non-stop support are central to everything we do.

#### Propel your business

Every year, we handle approximately 8,000 port calls. We also provide a deck of support services to local terminals and operate a fleet of line handling boats.

Our complete range of freight services ensures the best-fit solution for your cargo movements, including complex sailing projects such as the Volvo Ocean Race.

#### Strategic partner

GAC UK is approved as an Authorised Economic Operator (AEO) by HM Revenue & Customs, an international quality mark that recognises trusted and efficient customs clearance service.

## Performance, safety and compliance

#### Highest standards

GAC UK provides cost-efficient and professional services which comply with the highest Quality, Health, Safety, Security and Environment (HSSE) standards.

We are committed to operational excellence and environmental sustainability at all

times. GAC UK is ISO 9001:2015 Quality Management and ISO 14001:2015 Environmental Management certified.

We operate in strict accordance with GAC Group's Code of Ethics and Bribery, Whistleblowing, Sanctions and Quality policies.
