

# GAC Sports & Events Logistics

**Reliable, time-critical logistics solutions for global events**

GAC ensures the safe and timely delivery of all event cargo – from race cars and sports equipment to complete stage setups. Our dedicated team is equipped to handle the unique logistics demands of sports and entertainment events locally, regionally and globally.

**Delivering your strategy.**

## Time-critical, integrated multi-modal logistics solutions that combine GAC's global reach and local expertise, for successful sports and events worldwide.

We draw on our global reach and extensive experience to seamlessly manage all event logistics needs from planning to on-the-ground execution, regardless of location or scale. Our logistics network spans Asia, the Middle East, Europe and the Americas, boasting a strong track record of supporting major events, including Formula 1 races, the FIFA World Cup in Qatar, the FIBA World Cup, the Olympic Games in Paris and more.

### Sports

We specialise in logistics for sports events of all scales, managing everything from racing cars to athletes' villages. Our services include precise scheduling and secure transportation to accommodate last-minute changes.

### Concerts and live entertainment

GAC provides reliable logistics solutions for live performances, ensuring that all equipment – from audio-visual gear to stage setups – arrives on time and in perfect condition. Our support teams are available 24/7 to address on-site challenges.

### Exhibitions and fairs

We offer logistics services for exhibitions, fairs and trade shows. Our team collaborates

with local government and ministry offices to ensure smooth operations.

### Performing arts

GAC delivers logistics support for the performing arts, overseeing all aspects from stage equipment to costumes. We work closely with event organisers to ensure a seamless event experience.

Partnering with GAC means your event logistics are managed by a dedicated team focused on efficiency and reliability. That means you can trust our local expertise and careful planning and concentrate on your event's success.

We provide advice on cost-effective transportation for specialist equipment, including sound systems, lighting, staging and musical instruments. Our team supervises each leg of the tour, handling customs clearance, delivery, collection and packing within strict timelines.

Contingency planning is vital for addressing last-minute changes in venue or schedule. You can rely on GAC for effective sports and events logistics management.
