

# GAC Sri Lanka Launch Services

**Services around-the-clock to keep your vessel  
moving**

Established since 1991, GAC Sri Lanka is part of the GAC Group, a global integrated shipping, logistics and marine services provider with more than 300 offices worldwide.

We operate round-the-clock to provide fast and safe delivery of ship supplies, crew changes and other services in the busy sea lanes off Galle, Colombo and Hambantota in Sri Lanka, without requiring the vessels to divert from their course.

**Delivering your strategy.**

# Speedy service with no vessel deviation helps to keep your budget in check

## Multipurpose fleet in strategic locations

Operating from bases in Galle, Colombo and Hambantota, GAC's own fleet of steel hulled, fully air-conditioned launches ensures that crew and supplies are transported in a safe and efficient manner.

We handle a comprehensive range of Husbandry services including crew changes, medical evacuations, spares/stores/provisions delivery, repairs, inspections & surveys, as well as garbage removal and de-slopping. Our 24/7 service also allows us to respond to any emergency situation swiftly.

## Crew support services

Our team provides a 24-hour "meet and greet" service at Colombo international airport, that includes prompt immigration and customs

clearance, ensuring all arriving and departing crew members receive the best personalised service possible.

## Ship spares management

We specialise in clearing and delivering deck-to-deck and door-to deck, ship spares, stores and heavy cargo around the clock.

## The GAC Sri Lanka advantage

- Cost efficient - no vessel deviation, no port costs involved
- Daily flights to all international destinations
- We offer storage and warehousing facilities for up to 21 days at no additional cost
- Fast tracking of immigration process
- Speedy clearance and delivery of spares, stores, mail etc.
- Our own fleet of supply boats

We are committed to providing cost-efficient, professional and high quality services in full compliance with Health, Safety, Security and Environment (HSSE) practices.
