

Putting your business first

Complete shipping services
to keep your business moving

Delivering your strategy.

A world of shipping services that revolves around you

An oil tanker leaves West Africa. A bulk carrier sails for China. A container ship arrives in Kuwait... 90% of world trade moves on water; 100% of our business moves around you. That's why at the start and end of these voyages you'll find GAC Shipping alongside.

As a pioneer since the '50s, GAC Shipping provides a vast array of hub and ship agency services from port-to-port and all the waters in between. Representing more than 3,500 Principals and handling over 96,000 jobs annually, our global network of offices and agents are there to help vessel owners and operators with whatever they need and wherever they are – any time of day or night.

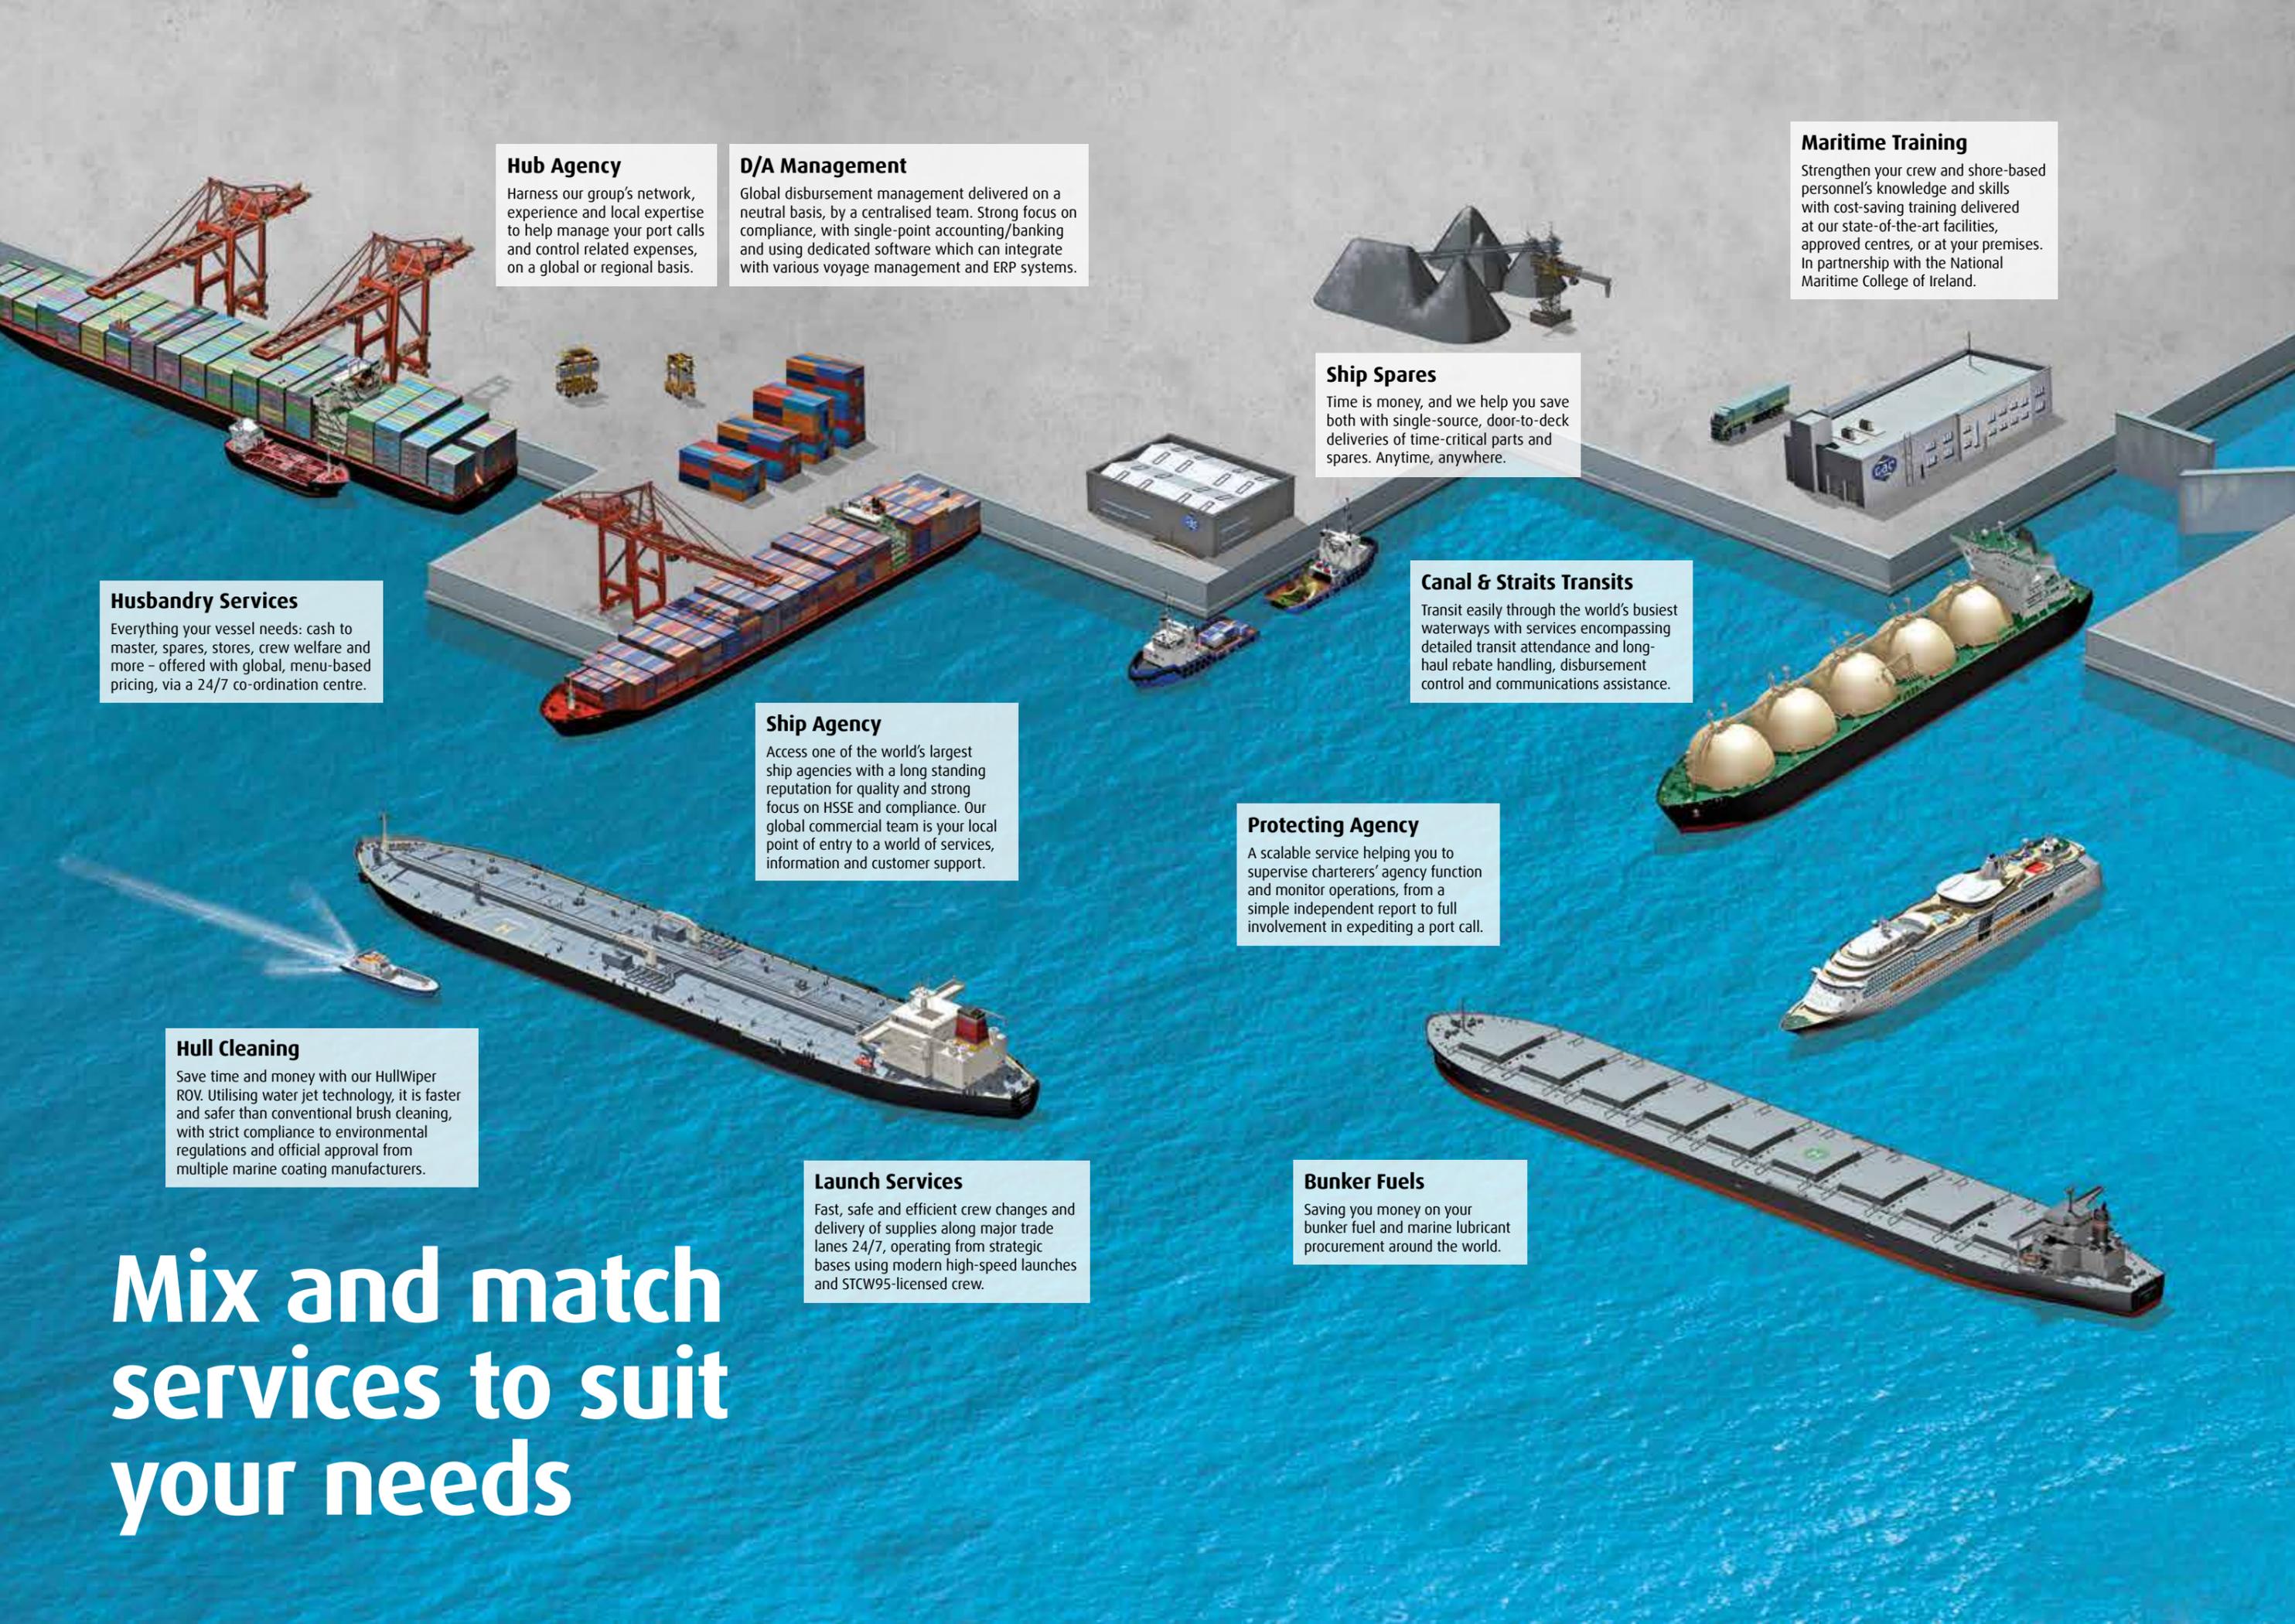

Our operational expertise covers traditional areas such as ship agency, bunker fuels and launch services to

innovative services such as maritime training and ROV hull cleaning. Our aim: to help make your every voyage safe and smooth.

GAC Shipping also represents the ethical choice: we're committed to quality, safety, compliance, honesty and transparency in everything we do. Our formalised approach and strict principles set the standard in many sectors.

So whatever your needs at sea, you can count on GAC to deliver.

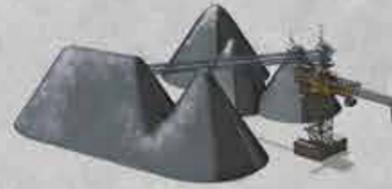

Hub Agency

Harness our group's network, experience and local expertise to help manage your port calls and control related expenses, on a global or regional basis.

D/A Management

Global disbursement management delivered on a neutral basis, by a centralised team. Strong focus on compliance, with single-point accounting/banking and using dedicated software which can integrate with various voyage management and ERP systems.

Ship Spares

Time is money, and we help you save both with single-source, door-to-deck deliveries of time-critical parts and spares. Anytime, anywhere.

Maritime Training

Strengthen your crew and shore-based personnel's knowledge and skills with cost-saving training delivered at our state-of-the-art facilities, approved centres, or at your premises. In partnership with the National Maritime College of Ireland.

Husbandry Services

Everything your vessel needs: cash to master, spares, stores, crew welfare and more - offered with global, menu-based pricing, via a 24/7 co-ordination centre.

Canal & Straits Transits

Transit easily through the world's busiest waterways with services encompassing detailed transit attendance and long-haul rebate handling, disbursement control and communications assistance.

Ship Agency

Access one of the world's largest ship agencies with a long standing reputation for quality and strong focus on HSSE and compliance. Our global commercial team is your local point of entry to a world of services, information and customer support.

Protecting Agency

A scalable service helping you to supervise charterers' agency function and monitor operations, from a simple independent report to full involvement in expediting a port call.

Hull Cleaning

Save time and money with our HullWiper ROV. Utilising water jet technology, it is faster and safer than conventional brush cleaning, with strict compliance to environmental regulations and official approval from multiple marine coating manufacturers.

Launch Services

Fast, safe and efficient crew changes and delivery of supplies along major trade lanes 24/7, operating from strategic bases using modern high-speed launches and STCW95-licensed crew.

Bunker Fuels

Saving you money on your bunker fuel and marine lubricant procurement around the world.
