

GAC Lebanon Cruise Services

Everything you need at Lebanon's ports

It takes a lot to create the special experience and memories you want to give your cruise passengers. When Lebanon is on your itinerary, GAC is at hand to offer a tailor-made package of integrated services to make that happen.

Delivering your strategy.

As the country’s leading cruise agency, we understand the complexities of successful cruise operations, and we deliver world-class services tailored to you and your passengers.

As part of the global GAC Group, GAC Lebanon has the reach and resources to meet the needs of the cruise majors and special interest operations wherever you go.

A reliable and experienced agent plays a vital role to ensure hassle-free clearance for your crew and passengers. Whether you’re calling at Beirut, Tripoli to the north, or Sidon in the south, you’ll find friendly GAC Lebanon staff to help you.

GAC Lebanon’s emphasis on local knowledge and insight, planning and efficiency enables us to provide guidance to plot optimum locations and routes for a successful cruise.

Complete Package

We draw on our extensive shipping and logistics experience to cover all operations, giving you the integrated passenger services you need.

We go beyond the basics to provide personalised, prompt and proven support to ensure smooth sailing.

Reputable Partners

We work with reputable, reliable local specialists to take care of shore excursions, guided tours and transport requirements to enable your passengers to disembark and enjoy their shore side experience without delay.

Thanks to our close working relationship with the authorities and contacts in the local industry, you are assured of safe and seamless support for your port calls.

Safe and Sound

All our operations are in line with the GAC Group’s Compliance & Ethics and Health, Safety, Security & Environment (HSSE) policies.

Complete Support

- Cruise Agency
- Husbandry & Crew Welfare
- Visa Support
- Medical Assistance
- Berth Booking Arrangements
- Transfers & Accommodation
- Bunker Fuels
