THE CHAIRMAN OF BERTHING MEETING  
TEMA PORT

Dear Sir,

ENFORCEMENT ON THE DIRECTIVES ON INTERNATIONAL TRAVELS TO GHANA THROUGH THE  
VARIOUS POINTS OF ENTRY

I refer to the directives by the Director General of the Ghana Health Service on all travellers and conveyances entering into the country which came into force on the midnight of 12<sup>th</sup> December 2021. This directive stated that all arriving persons into the country (through our borders/ airport/seaport) must come in with valid covid-19 vaccination certificates, Negative PCR test results which should be within 72hours and complete the health declaration forms on-line before arriving at the Point of Entry. Any traveller/crew/driver without the proof of covid-19 vaccination and without the certificate shall be vaccinated on arrival before the conveyance will be granted free praitigue to enter into the ports of Tema and Takoradi.

In view of that directives this office will interact with the Berthing Meeting on Friday 17<sup>th</sup> December 2021 at 9:00AM to explain and educate the shipping agents and members on how this is going to be enforced at the Tema Port and Takoradi Port as well as the airport and the ground crossings.

This office will implement the Director General's directives at this port from Monday the 21<sup>st</sup> of December 2021 after our interactions with the Berthing meeting and the Shipping agents on Friday as stated.

Kindly, treat as urgent and be duly represented to express your concerns and get the appropriate understanding of the directive for a smooth implementation of the COVID-19 preventive measures being directed by the Ghana Health Service at all our Points of Entry.

Thank you and stay safe.
