# INTRODUCTION

This booklet sets out the charges of Forth Ports Limited as Statutory Harbour Authority and Competent Harbour Authority in respect of pilotage services, the granting of pilotage exemption certificates, conservancy and anchorage.

The terms and conditions set out at the end of this booklet determine the basis upon which Forth Ports Limited's facilities and anchorages may be used and Forth Ports Limited's marine services are provided. The terms and conditions also set out the circumstances under which payments are due to Forth Ports Limited and establish liability for payment of these charges.

The charges shall apply for the period from 1st

**January 2022 to 31st December 2022.**

Details of other port charges are contained in the published port charges booklets for each port, copies of which are available from Forth Ports Limited, 1 Prince of Wales Dock, Edinburgh EH6 7DX.

All initial bookings will be required to be confirmed in writing in the form of a NOTICE OF PROPOSED VESSEL MOVEMENT (PVM) before the services are required. This form can be found on the Forth Ports website at

**[www.forthports.co.uk](http://www.forthports.co.uk)**

The agency making the booking and confirming it in writing will be the sole agency responsible for the payment of invoices relating to the services booked and provided.

By making the confirmed booking the agency are confirming that they have sufficient funds from their principle to cover the cost of the services provided.

Should there be a dispute as to the accuracy of the invoice, the agency shall raise this concern with Forth Ports immediately and certainly within the 30 days payment period. Such notification shall clearly state the reason for disputing the invoice.

In the event of the above conditions not being met or invoices not being paid in full within the stipulated time as stated on the invoice the agency concerned may have future bookings for Marine Operations refused.

Tonnages used for calculations are taken from the latest IHS Maritime database. Any discrepancies should be raised with the Chief Harbour Master and evidence in the form of copies of certificates to support supplied.

Surcharge for vessels inbound and outbound of Port of Methil, and Methil Energy Park: £500

## **SECTION 5 – PILOTAGE CHARGES FOR ADDITIONAL DUTIES**

When a pilot is employed for the purpose of a trial trip, adjusting compasses, standing by a vessel at anchor or any such similar duties a charge of £154 per hour or part thereof will be payable, subject to a minimum charge of £462. Should the pilot be replaced by another pilot due to the length of time involved in the standby then the £462 minimum charge will only be applied once.

## **SECTION 6 – BRAEFoot TERMINAL (STANDBY PILOT)**

The operations procedures for the Braefoot Bay Marine Terminal require a pilot to be on board a vessel berthed at the terminal when actual sustained wind speed reaches 40 knots. The pilot remains on board the vessel until the sustained wind speed drops below this level. The charge for this service is £462 for the first three hours, thereafter at £154 per hour or part thereof until disembarkation. The provision of a standby pilot at Braefoot Bay Marine Terminal shall not incur a surcharge as laid down in paragraph (c) of Section 9.

## **SECTION 7 – CRUISE VESSELS ANCHORED (STANDBY PILOT)**

The operations procedures for cruise vessels anchored off Hound Point and Newhaven require a pilot to be on board the vessel throughout the vessel's time at anchor. The charge for this service is £154 per hour or part thereof.

## **SECTION 8 – ATTENDANCE AT PLANNING MEETINGS**

When a pilot is required to attend a planning meeting/s in advance of an actual act of pilotage a charge of £154 per hour or part thereof is payable, subject to a minimum charge of £432 in respect of the time the pilot is in attendance.

A charge for travel expenses of £0.90 pence per mile from the Pilot Station at Granton to and from the location of the meeting will be applied.

## **SECTION 9 – TOOL BOX TALKS**

When a pilot is required to attend earlier than the time the pilotage act has been booked, in order to participate in a tool box talk or safety briefing, a charge of £154 per hour or part thereof is payable in respect of the time the pilot is in attendance.

## **SECTION 10**

# **ATTENDANCE AND DETENTION CHARGES AND SURCHARGES**

### **A) ATTENDANCE CHARGES**

When ETA/ETD procedures as laid down in the GDN published by Forth Ports Limited have been complied with and a Master then fails to use the services of the pilot within one hour of the time for which the pilot was booked then a full charge for the intended act will be payable.

### **B) CANCELLATION**

If an order for a pilot is cancelled not less than two hours before sailing/boarding then no charge is payable.

If an order for a pilot is cancelled within two hours of the sailing/boarding time then a full charge for the intended act will be payable.

### **C) DETENTION CHARGES**

When a pilot cannot be landed or the vessel is in an unsafe position and the Master requires the pilot to remain on board a detention fee of £144 per hour or part thereof shall be payable. In circumstances where a pilot is carried over to another port, the Master shall be responsible for detention fees, accommodation and travelling costs incurred by the pilot to ensure his timely repatriation.

### **D) SHORT NOTICE SURCHARGES**

If a Master fails to provide ETAs/ETDs as laid down in the GDN there may be a delay in the provision of pilotage services. However, on occasions and dependent solely upon availability, a pilot may be provided. Under such circumstances there will be a surcharge of £216 on the applicable pilotage rates.

## **SECTION 11 – MISCELLANEOUS**

Small objects or structures such as pontoons, lock gates, caisson gates, etc. which do not have a Chargeable Tonnage but which require the services of a pilot, will be subject to a charge of £154 per hour or part thereof subject to a minimum charge of £462 will be payable. This is in addition to boarding and landing costs, as per tariff.

## **SECTION 12 – OVER-CARRIAGE**

During periods when the pilot boat service is suspended due to adverse weather, it may be possible for a pilot to be over carried out with the Compulsory Pilotage Area to the vessel's next port or other suitable disembarkation point. This must be by arrangement prior to the vessel's sailing, and cannot occur without the pilot's consent and approved by Forth Ports as SHA and CHA. Written confirmation must be provided by the Master, that all costs related to over-carriage will be met by the vessel. Over-carriage is charged at £112 per hour or part thereof, from the time that the vessel departs the CPA until the time that the pilot is returned to either his home address or the port/ installation that the vessel sailed from. The vessel is liable for all travel costs in returning the pilot to home or departure port, and the vessel's master/agent must assume responsibility for arranging all necessary onward travel and or accommodation, to ensure the pilots timely repatriation. Over-carriage charges will be billed directly to the vessel's agent by Golden Lion Pilotage & Marine Services Co. Ltd.

## **SECTION 13 – BRIDGE SIMULATOR**

When the Bridge Simulator at South Tyneside College is used for planning purposes and projects there will be a charge of £3,345 + VAT per day for 2 pilots, plus £1,225 + VAT for use of the simulator software. These charges do not include any costs for travel or subsistence or any charges levied by South Tyneside College for the use of the simulator.

## **SECTION 14 – PNPf LEVY**

All pilotage rates are subject to a 6% surcharge in relation to recovery of the PNPf deficit payment.

## SECTION 15

| 250,001 and above | 18.4 pence per Chargeable Tonnes |

Vessels crossing the limits of the Forth regardless of whether they eventually berth at a port/terminal on the river will be charged Conservancy. Any vessel having crossed the limits of the Forth and then engaging in an interport voyage within the Forth will also be charged Conservancy for each passage.

The charges set out above include a stay within the SHA area for 7 days for all vessels other than offshore rigs and semisubmersibles, not including time alongside in any port or terminal. Any stay beyond 7 days shall be subject to the charges set out in Section 2.

UK Naval vessels are exempt from conservancy charges, however all foreign going Naval vessels are subject to the charges within this section.

## SECTION 2

# CHARGES FOR LAY UP ANCHORAGES & ADDITIONAL CONSERVANCY

The following charges apply to all vessels and rigs requiring lay up. Vessels requiring to utilise these such anchorages for lay up or extended stay should contact Forth Ports Limited to ascertain availability of anchorage.

The charges also apply to vessels which have exceeded the 7 day stay limit set out within Section 1.

The charges are per day or part of a day. All rates quoted are aimed at medium-long term anchorage periods and inclusive of conservancy. The following charges apply to any vessel.

| <b>VESSELS*</b>               | <b>DAILY CHARGE (£)</b>  |

| ≥400,001                      | 800 (Per Day for first 90 days)<br>720 (Per Day after 90 days) |
| Offshore rig/semi-submersible | 500 (Per Day regardless of length of stay)                     |

## **CONDITIONS**

The use of anchorages for lay up or extended stay are subject to the following conditions:

1. Availability and allocation of anchorages is at the sole discretion of Forth Ports Limited.
2. To ensure the highest levels of safety Forth Ports Limited will issue procedures to vessels utilising these facilities which must be adhered to.
3. Unless by prior arrangement, vessels must maintain full anchor watches, have engines ready for immediate use and must be ready to sail at short notice if required by Forth Ports Limited.
4. Vessels must be aware of and adhere to all local Byelaws, GDN's and Notices to Mariners.

## SECTION 3

# CHARGES FOR VESSELS WORKING AT ANCHORAGES

Any vessels or rig anchored in any of the anchorages which are transferring cargo is charged as follows:

| <b>VESSELS*</b>  | <b>DAILY CHARGE (£)</b>    |
|--|----------------------------|
| Dry bulk cargo   | 1.39 per tonne             |
| Offshore structures such as jackets, platforms or topsides | 9.30 per tonne             |
| Transfer of passengers                                     | 56.00 per passenger        |
| Transfer of Containers                                     | contact the Harbour Master |
| Transfer of equipment                                      | contact the Harbour Master |
| All other cargo  | contact the Harbour Master |

Any vessel, barge or rig being loaded on or discharged from a semi-submersible heavy lift vessel will be charged an additional fee as per the rate for conservancy in Section 1 for that size and type of vessel in addition to any Conservancy or Pilotage charges that may apply.

## SECTION 4

# CHARGES FOR VESSELS BUNKERING AT ANCHORAGES

Charges for any vessels or rigs anchored in any of the anchorages for bunkers is £2.01 per tonne. This is in addition to any Conservancy or Pilotage charges that may apply.

## **SECTION 5 – CHARGES FOR ATTENDING MEETINGS**

Where any of the Harbour Masters, Deputies or Marine Managers are required to attend a meeting outside normal operational duties a charge of £154 per hour or part thereof may be charged.

## **SECTION 6 – CHARGES FOR CONSULTANCY WORK**

Any work outside normal operational duties which is deemed to be of a consultancy nature will be charged as per the scope and nature of the work required. Please contact the Harbour Master for a quotation.

## **SECTION 7 – CHARGES FOR CARRYING OUT AUDITS OR INSPECTIONS**

Where any Marine staff have to attend a vessel to carry out an audit or inspection duties a charge of £154 per hour or part thereof may be charged. Travel is in addition and is charged at £72 per hour from auditor's main place of work.

## **SECTION 8 – INTERNATIONAL SHIP AND PORT FACILITY SECURITY CHARGE**

Vessels entering limits of the Forth and not calling at a Forth Ports owned facility will be charged a fixed sum of £193 in respect of the International Ship and Port Facility Security Charge. Applies to vessels over 500GT, does not apply to naval vessels.

## **SECTION 9 – LAUNCHING OF VESSELS INTO FORTH PORTS SHA**

Vessels entering limits of the Forth after being launched will be liable for Conservancy charges as per banding per chargeable tonnes. This is in addition to any subsequent Conservancy charges.

## **SECTION 10 – ISSUE OF NOTICE TO MARINERS**

When work or event requires the issue of a Notice to Mariners, the relevant Forth Ports marine team should be contacted. A notice to mariners will be produced, circulated and published on the Forth Ports website. The cost to the applicant is £250, with any subsequent changes and reissuing being charged at £100. Where practicable, a notice period of 7 days should be given. If this is not given then the port has the right to add a 50%
